**KABRA  
POLYMERS**

**TO WHOM SO EVER IT MAY CONCERN**

This is certify that M/s Maheshwari Enterprises, Jodhpur has supplied KiTEC pressure pipes and brass fitting which is to used in Compress Air Line, working at a constant pressure of 7.00 Kg, in our factory for operating various machines. Its installation was very easy and fast. We are using this pipe since last 2 years.

**For Kabra Polymers**
