TO WHOMSOEVER IT MAY CONCERN

We , at "Kreative Spaces", an Architectural firm, having recognized the unique features offered by Kitec Composite Pipes, have been recommending the use of Kitec Pipes in all our Projects for hot & cold water plumbing as well as for LPG connections for more than 8 years now.

Considering the unique features of Kitec pipes compared to the pipes of other brands we make it a point to see that our clients are made aware about the use of Kitec pipes.

Our clients are completely satisfied with the trouble free performance of Kitec Composite pipes as well as the services offered by "Vital Enterprises" pre and post sales.

We consider it our privilege to highly recommend Kitec Composite Pipes for all plumbing needs as well as for LPG connections.

For Kreative Spaces
