TO WHOM-SO-EVER IT MAY CONCORN

THIS IS TO CERTIFY THAT WE HAVE USED KITEC MULTILAYER MULTIPURPOSE COMPOSITE PIPES SUPPLIED BY TUSSHAR TRADING COMPANY IN OUR BIO-CHEMISTRY LABORATRY FOR LPG SUPPLY HAVING 80 OUTLETS, WE HAVE BEEN USING THE SAME FOR NEARLY ONE YEAR NOW WE HAVE NOT EXPERIENCED ANY PROBLEM.

MORE OVER THE PIPING SYSTEM HAS ALSO BEEN USED IN RUNNING HOT & COLD WATER IN OUR RESIDENTIAL/HOSTEL, WE ARE HAPPY TO SAY THAT THE KITEC PIPE HAS BEEN A BOON AND IS HAVING AN EDGE OVER THE CONTEMPORARY PIPING-SYSTEM.

WE RECOMMENDED USE OF KITEC PIPES & FITTINGS BY ALL & SUNDRY.
