TO WHOM IT MAY CONCERN

The Unique features by *Kitec Multi layer composite pipes* with its superior quality as compared to the other brand pipes available in the market, I make it a point to suggest to all my clients to use Kitec brand only.

From last almost more than 8/10 years I have been recommending to all my esteemed clients to make use of Kitec brand pipes , may it be Commercial , Residential , Hospitals or Industrial project.

I and my team is happy and satisfied over the trouble free performance as well as the services rendered by Kitec Dealer *M/s. Vital Enterprises* for their co-operation extended during pre and post sales.

I have no hesitation to recommend the use of Kitec Multi-layer Composite Pipes in all the projects for their plumbing needs.

Regards,

For M/s. Umesh S. Sarnobat & Co;
