18th April, 2002.

TO WHOMSOEVER IT MAY CONCERN

This is to certify that we are using Kitec Pipes and fittings for- concealed and exposed piping, we have found them to be suitable for both hot and cold water.

The installation time is greatly reduced as compared to G.I. piping as the pipes are easy to handle and have fewer joints. We also appreciate the timely delivery and service provided by your Goa Dealers M/s. Vin
