To

M/s KITEC Industries India Ltd.

This is to certify that we are using the insulated Pipe kit in our solar water heaters & we want to say with happiness that the results of the products are fully satisfied. The very easy fitting & fast working system. There's no any problem of leakage etc. & the main thing is that the service by Mr. Manoj Singh is most satisfied & co-operative.

Thanks

For M/s. PADMAKAR TOSHIBA ENT
