TO WHOM IT MY CONCERN

This is to certify that under the CPWD (DSR) specification, We have executed the water supply pipe line work with PE-AL-PE composite pressure pipes in the renovation projects of Hotels at Rajgir, in which KiTEC pipe has been used. It is found that the pipes are easy to install and with the least probability of seepage/ leakage. It is also suitable for hot water pipe line work.

As per the performance, It (the product) is recommendable for other projects.
