

**Office of the Divisional Manager (Engg.)  
Civil Wing, S.M.V.D. Shrine Board, Katra.**

.....

*To Whom It May Concern*

It is certified that Kitec Composite Pipes are used in our water supplies and plumbing works in our buildings since 1999-2000.

The performance of these pipes is very satisfactory and the post - maintenance is absolutely negligible & easy.

The services provided by M/s Aditya Enterprises - Jammu is also commendable.

Dated: 23/12/2005
